A TIME TO

REMEMBER

A GAME TO REMEMBER

Dearborn High, riding a wave of momentum, came into the 1991 Homecoming Game hungry for another victory. The previous week the Pioneers rallied to defeat Edsel Ford and now charged into this matchup with the Garden City Cougars. After giving up an early field goal, the Pioneers exploded for twenty-one consecutive points. Junior, Dave Hieb led the Pioneer attack with 112 yards rushing. Senior, running back, Neil Williams scored two touchdowns, including a 35 yard scramble. Junior, receiver, Ali Abdrabboh also caught a one-yard touchdown pass from Senior, quarterback, Steve Harworth. Later, Harworth added a one-yard touchdown run. Seniors Derek Crombie, Jon Gray, Bryan McCarroll, and Steve Klukach made key defensive plays en route to a convincing 28-16 victory.

1992 Homecoming Court

The 1992 Homecoming Court was made up of six guys and girls. Each was chosen by their classmates on who they felt best represented their class.

This year's Homecoming Court was announced at half-time. The final results were announced following the game. The court was introduced by Paulette LaDouceur and WJR Trafficman Dennis Neubacher ('71 Alumni of Dearborn High).

When the game was over, the King and Queen were announced. They were Dave Roberts and Kathy Williams. Dave and Kathy are both active members of the Student Council. Both were very excited to have been elected. They both hope to represent the senior class the best way possible and will return next year to crown another King and Queen.

(Back row) Mark Lewicki, Jon Gray, Adam O'Shaughnessy, Dave Roberts, Ken Swider, Scott Cook. (Front row) Renee Gruska, Amy Cook, Caroline Huang, Kathy Williams, Kerry Swider, Amber Boyless.

HOMECOMING DANCE

King Dave Roberts and Dan Schaal show off "their" Homecoming title.

Topping the eventful day of October 19th was the 1991 Homecoming Dance. The theme was "Jungle Love." The dance coincidentally fell on Sweetest Day, which made the day even more special. The evening started off with a little dinner for most couples and then, off to the dance! They danced the night away in the Redwood Room, surrounded by an exotic atmosphere. Most students went home with memories of an enjoyable night that will be remembered forever!!

Swider twins share a slow dance.

Autumn Deer and alumni Ron Kraai "monkey" around.

Left:(L-R) Karen Bazzana, Rich Kornarski, Renee Gruska, Mark Lewicki, Amy Cook, Eric Campbell, Kelly Purcell, and Asher Barrow are ready to have a good time.

SECURITY

This is their first year at Dearborn High. They enjoy working together because they feel they are a great team. What they enjoy most about working at Dearborn High is being there when students need them. They also monitor after school sport's activities and dances. One student said, "They are cool security guards." "We want the parents to feel that their children are in a safe environment away from home," said Leonard.

CUSTODIANS

Where would we be without the custodial staff? Well, for one, the school would be infested with roaches and termites. The staff is divided into two shifts. One works in the morning and the other in the evening. Both are equally important in keeping the school clean.

Math is one of the most important classes taught at D.H.S. Of course, all students dread taking those "pop" quizzes or hour-long tests. But all the teachers have their own unique way of making students interested in learning.

They are always eager to help students in any way possible. But all the teachers have one main purpose; to help students with their math skills, so they can use them in their everyday life.

ENGLISH

What makes Dearborn High School great? What makes Dearborn High School great is the dedicated teachers, who desire to teach and the students who are willing to learn the subject. One of the most important departments, chaired by Mr. O'Hagan, is English. Without English where would we be? We use English to express ourselves, both verbally and with the written word. Our English teachers care enough to give their extra time for clubs such as Muse, The Observer, and the Pioneer Yearbook.

ATHLETICS

BITTERSWEET

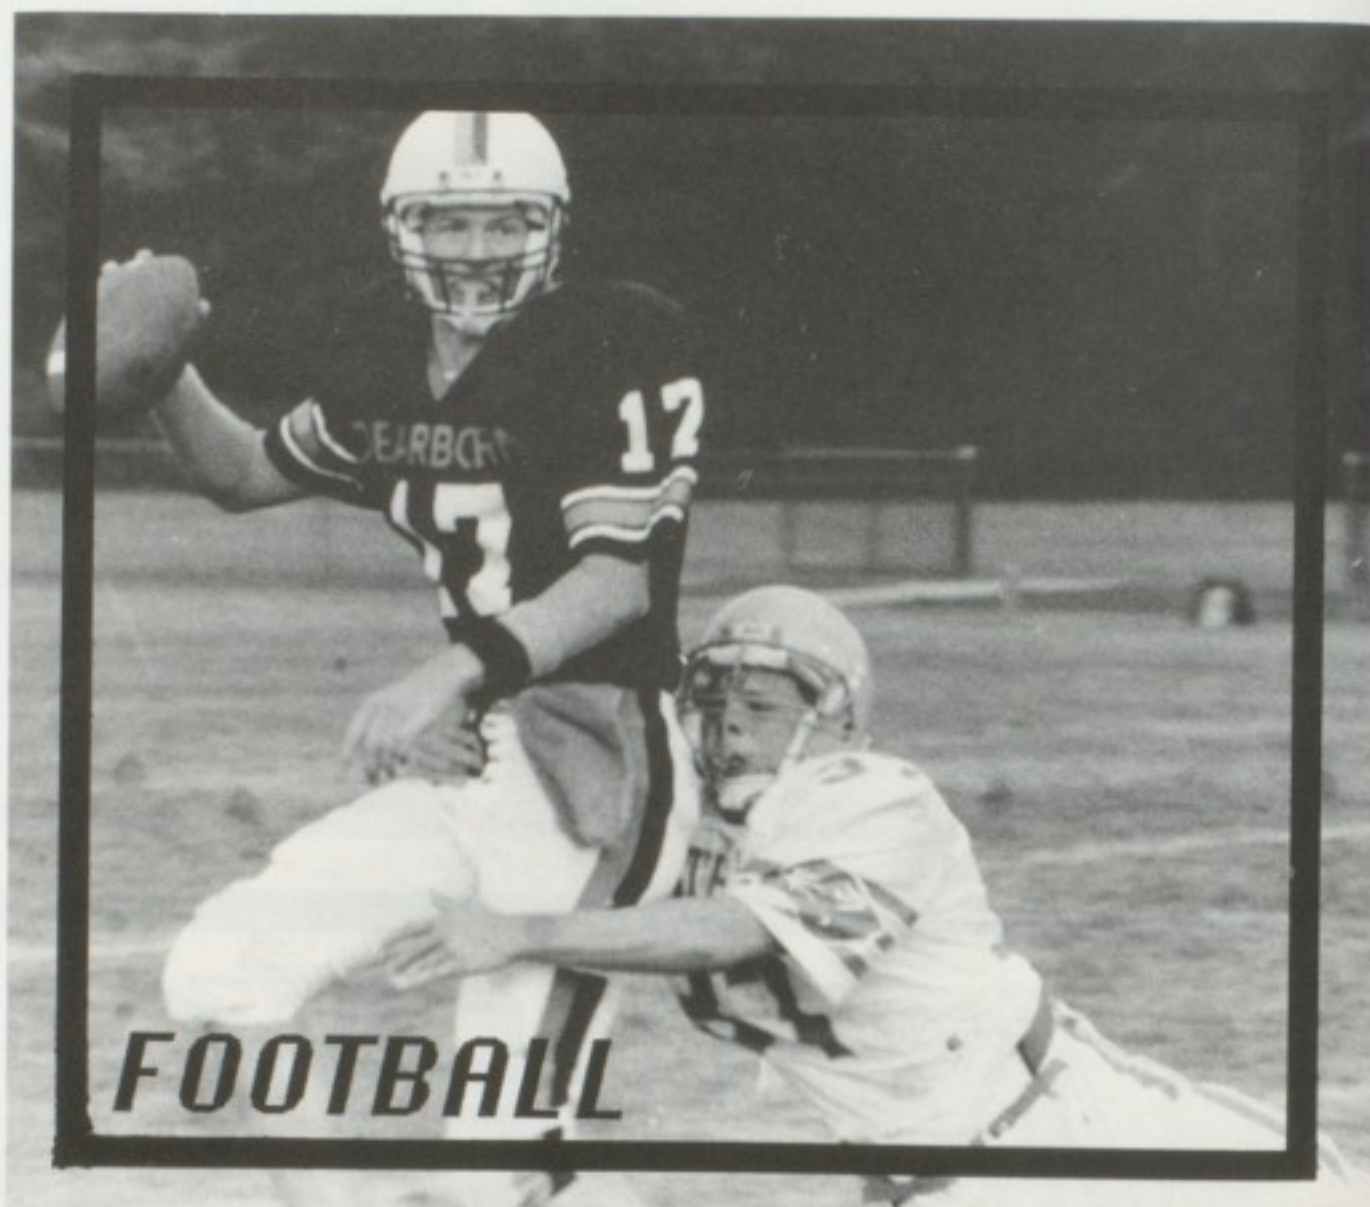

The 1991 Dearborn High football season began with a bang. That bang was two impressive victories over Churchill and Cabrini, but then an unbelievable losing streak began. Despite outplaying the opposition, the Pioneers lost three heartbreakers to Redford Union, Marine City, and Woodhaven. The team persevered though and went on to defeat Edsel Ford for its second straight Spirit Bowl title. The march then continued with a Homecoming victory over Garden City. The Pioneer defense then rocked St. Clair for a 21-0 triumph. In that game the Dearborn defense held the Saints to -2 yards offense, and no first downs. The season concluded with a thrilling 14-13 overtime victory against Melvindale. Dearborn missed its second straight playoff appearance by only a few points in the final state rankings.

The Dearborn offense was led by offensive MVP Steve Harworth. The senior quarterback threw 67 out of 127 passes for 1,018 yards. Team MVP Mark Lewicki led the rushing attack this season with 600 yards rushing. Junior, receiver, Ali Abdrabboh earned All-League and All-City honors this season. Senior, tight end, Steve Klukach earned All-City and All-Metro honors. The offensive line was anchored by three year starter Derek Crombie. The senior tackle was named All-League and All-City for the second year in row. In addition Crombie earned All-Suburban, All-Metro, and All-State honors.

The Dearborn defense was led by defensive MVP Bryan McCarroll. McCarroll led the team in tackles while earning All-City honors. Lewicki earned All-League and All-City honors as a defensive back. Senior Captain, defensive end, Jon Gray, another three year starter, was named All-League and All-City for a second straight year. Gray also earned All-Suburban honors.

Coach Chuck Baughman said of this season, "To win six games in a season is not shabby. We beat Edsel and won the Spirit Bowl for the second year in a row."

WHAT A SEASON!!

The 1991 Pioneer Varsity Golf season was a great season, winning 10 out of 12 matches. The team consisted of ten players; two of them are seniors and co captains: Dave Roberts and Randolph Maynard. The rest of the team are underclassmen. The Pioneers set a goal for the '91 golf season. That goal was to go to state and do well. They accomplished their goal by going to state and finishing third. Next years' season should be another great year with eight of ten players returning. They should be a team to contend with in years to come.

UNDEFEATED AGAIN

The Dearborn Pioneers Cross Country team was undefeated once more this year. Although their team was young, their record was 5-0. The boys ran off with the League title this year and, also, placed in City and Regionals.

"I think we had a good season, it wasn't the best, but I'm sure many teams would kiss a pig for a season like ours'," claims co-captian Ed Church.

"In cross country, you've got to look at the course and say, 'hey, bud let's party'! It was nice to end the season undefeated," states co-captian David Megyesi.

"A MEMORABLE EXPERIENCE"

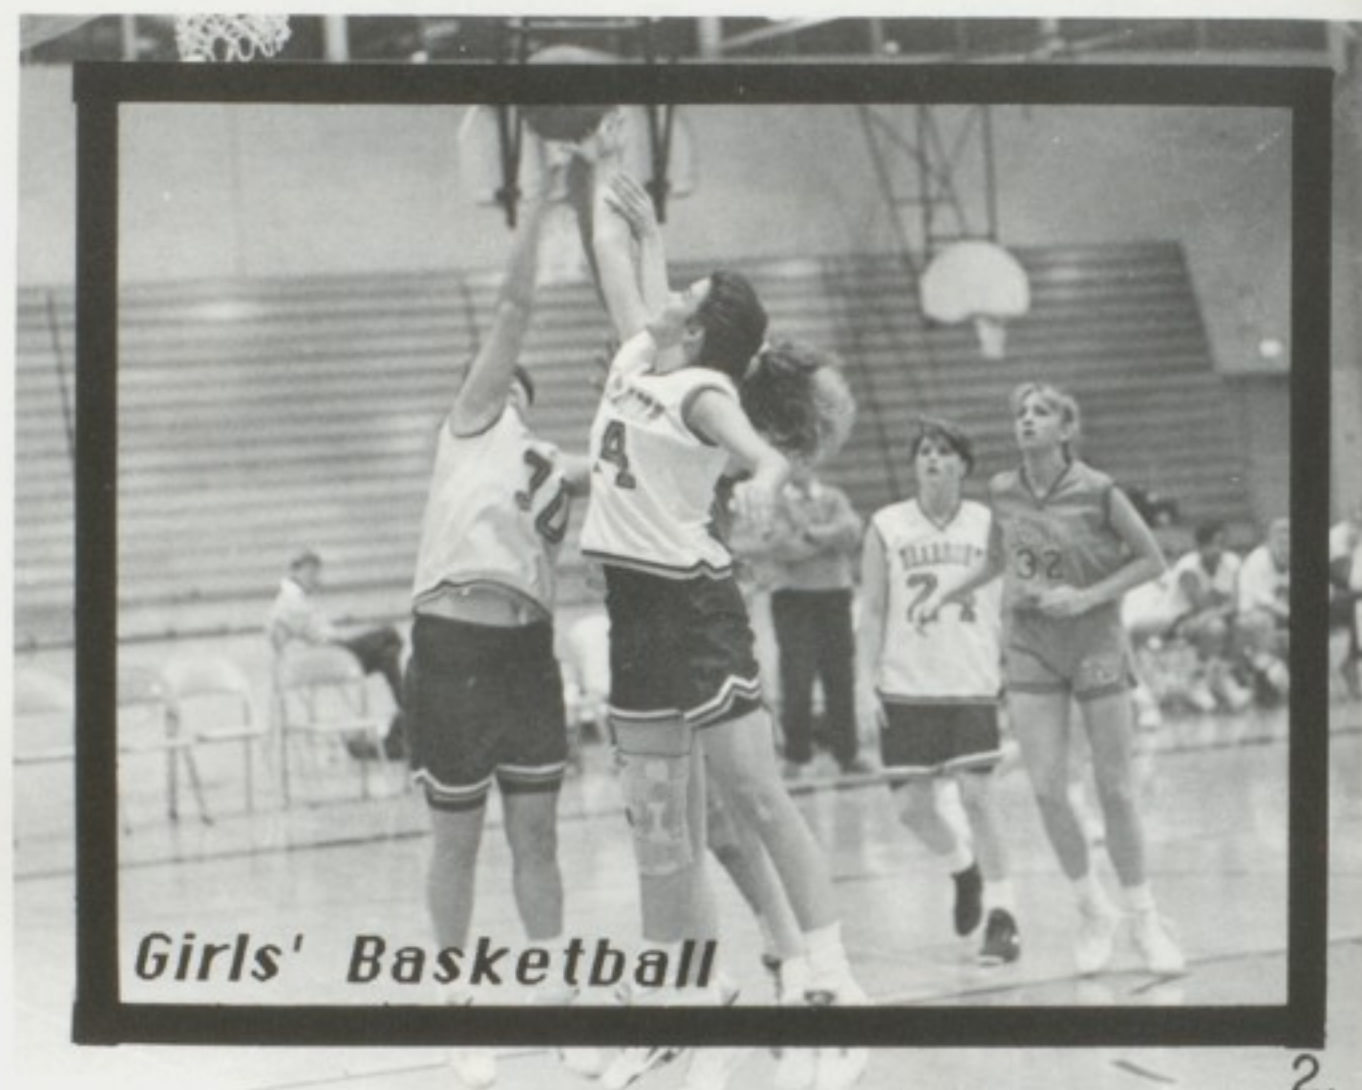

The 1991 Girls' Basketball team did a fabulous job this year. The team greatly improved throughout the season. Losing two of their better players from last year didn't stop them from defeating their opponents. The Girls' Varsity Basketball season ended with a 15-6 record which won the league. They moved forward in the districts defeating Edsel Ford but lost the second game to Chadsey. They have achieved the best record Dearborn Girls' Basketball team has ever had. All the girls are proud of what they accomplished and are going to continue on with confidence next year.

A SMASHING SUCCESS

Dearborn High's 1991 girls' tennis team walked onto the court this season with high expectations. A winning season a year ago had everyone thinking big. Little did anyone know what lay ahead. A few weeks into the season the team lost two of its captains. However, after fighting off an illness, a truly devoted Maria Madias returned to lead her struggling team. After several changes in the lineup the team came out on top to carry on Dearborn's winning tradition.

This year's competition was particularly intense, especially with cross-town rival Edsel Ford. In dual meet competition the team battled fiercely, yet both meets ended in 4-4 ties.

The team also accomplished several other triumphs. the team captured both the league and regional titles. The Pioneers then went on to claim a respectable 23rd place finish at the state meet. Dearborn also had strong showings at the Monroe, Mercy, and Saline Invitationals. DHS finished the year with an impressive 8-1-3 record.

Second year coach, Kevin Towe led the team during this hard fought season. Despite all the early problems he managed to put together a winning lineup. He stated, "We started off slow, but as the season went on we improved our skills."

Stealth!

The 1991 Lady Pioneer Swim Team illustrated Dearborn's tradition in swimming dominance this year. Led by senior captains Megan Gillam, Alexis Hilliar, Kelly Kreger, and Kim Kregoski the small but powerful team ended the season with no losses and only one tie to make it the first undefeated season in Dearborn women's swimming in many years. The team was a close knit group in which everyone contributed.

A total of seven pool and school records were broken this season by diver Missy Dennis, Megan Gillam, and the 200 Medley, and 200 Freestyle relay teams.

After a victorious League meet, Dearborn High took a large group to the State meet in Ypsilanti. Diver Kelly Kreger earned the trip after successfully advancing from a very difficult Regional meet. In the swimming scene, All-State finalists included the 200 Medley relay team of Carrie Covert, Heather Bockmann, Karen Kissinger, and Gillam; and the All-America 200 Freestyle relay team of Gillam, Kissinger, Laura Andrews, and Katie MacKenzie. Individually, Kissinger was third in the 500 Free and fourth in the 200 Free. Gillam was State Champion in the 50 Free and second in the 100 Free. The senior was also All-America in both events, League MVP, and team MVP.

TEAMWORK DOMINATES!!!

WHAT A TEAM! The 1991 lady stickers proved that teamwork is the key to success. Just how successful? Well, the lady Pioneers finished the season with the best record for a field hockey team in Dearborn High's history. They also managed to go undefeated at the state tournament with three ties and one win. The season started off with some tough competition. After the lady stickers first three games they were without a win. But the team quickly pulled together and got two victories under their belt. One win being against cross town rival, Edsel Ford. Now team spirit was at a high. The ladies went on to win all but two of their remaining games.

According to the players and coach Gross, the offense and defense were very well balanced. Everyone played as a team, and with finesse. Many players received honors at the state tournament, and others received all league honors.

Rosemary Gross had a lot to say about the '91 field hockey team. The Pioneers were lead by a strong senior cast that, according to Gross, "Will be very hard to replace." Gross also stated that, "Each player should remember the 1991 field hockey season as accomplishing all the aspects that make up a successful team."

VARSITY VOLLEYBALL

This year's Varsity Volleyball team had a very successful season. The most important thing that helped them out was teamwork. Captain Suzy O'Donnell led the team in kills with 365 and 87 blocks. Karole Koos led in serving with 90 aces. The DHS Spikers swept the Regionals and went on to the State Tournament. As stated by Nikki Foley, "This year's team had to overcome many obstacles. We worked hard for every win; nothing was handed to us. We used teamwork and determination to come as far as we did."

BACK 2 BACK

The 1992 DHS basketball team had some pretty big shoes to fill coming into this season. The previous year the Pioneers had set a school record for wins, won the league title, and advanced to the regional final. This year's squad had high expectations for the upcoming season.

Dearborn blasted its way past the competition all season long. The Pioneers had two, one-point victories over league-rival Woodhaven. Also, DHS beat cross-town rival Edsel Ford three times this season! Despite two tough losses to Redford Union, Dearborn managed to claim a share of the NSAA title for the second straight year. The season concluded with a tough district semi-final loss to two-time defending state champ Detroit Southwestern.

The Pioneers were led by senior Co-Captains Steve Harworth and Ken Swider. Harworth was voted the team's MVP, Swider earned the Most Improved Player award, and Senior Aaron Seligman was chosen the Defensive MVP.

Harworth said of the team, "We had a good season, especially winning the league title again. It was disappointing, though, to lose to Southwestern."

A Season of Pushers

The 1991-1992 Dearborn High Boys' Swim Team had a tremendous season, finishing with a record of 11-1 and a 5th place finish at State. The youthful team was led by senior tri-captains Steve Bockmann, Ben Fradkin, and Dave Roberts. Each swimmer was a contributor, and the boys' teamwork helped push their way to a League championship and many personal best times.

Eight Pioneers competed in the state meet for Dearborn, including seniors Roberts, Fradkin, and Bockmann; juniors Chris Good, Brad Shaw, Brad Schoolmaster, and Jason Raymo; and sophomore Jeff Neumeyer. The 200 Medley relay team of Neumeyer, Shaw, Fradkin and Roberts set a school record while placing 3rd in the state. Fradkin was 7th in the 200IM; Roberts was 7th in the 50 Freestyle and 10th in the 100 Freestyle; Raymo was 12th in the 500 Freestyle; and Shaw was 7th in the 100 Breaststroke. Other school record-shattering performances included Neumeyer's 3rd place finish in the 100 Backstroke, and the 200 Freestyle Relay Team of Schoolmaster, Bockmann, Neumeyer, and Roberts who also finished 3rd. The highlight of the meet was Good's superb diving which drove him to become the first diving state champion ever from Dearborn High. The school record holder was named Michigan Diver of the Year for his accomplishments.

MOVING ON

Dearborn High, coming off its greatest wrestling season in school history, approached the 1991-92 season with some perplexing questions. Could this young group defend the league and All-Area titles? At what rate would wrestlers lacking Varsity experience develop?

The team, with only three seniors in the Varsity lineup, came together well. The Pioneers had big dual meet victories against Divine Child, Redford Union, Garden City, Melvindale, and Edsel Ford for the third consecutive year.

The Pioneers finished second in the league to Woodhaven. In addition, Dearborn finished second at the All-Area tournament, losing to Fordson by one-half point.

The Varsity lineup consisted of: freshmen Sean Adams, Derrick Kelp, and Dan Balestrieri; sophomores Jerry Barkoff, Gary Sivyver, Joe Parisi, and Tom Linder; juniors Rich Medel, Sean Holbird, and Co-Captain Bill Polk and; seniors Dan Schaal, Dave Watling, and Co-Captain Derek Crombie. Serving part time roles in the lineup were Ryan Rudnicki, Nolan Wells, and Matt Belles.

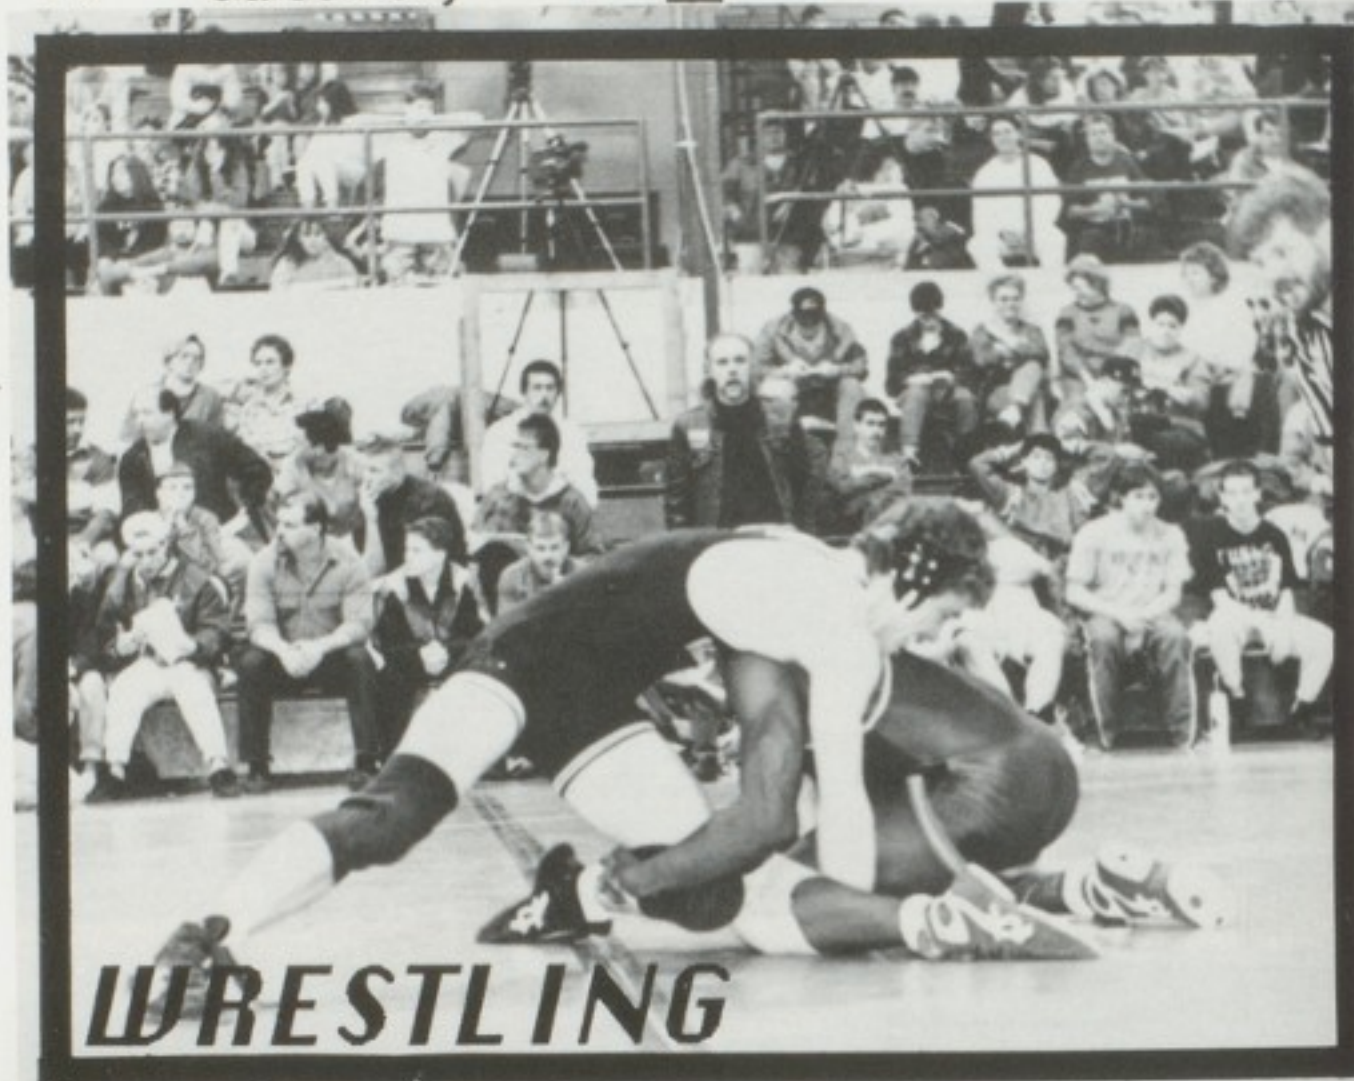

In individual competition Dearborn was led by Co-Captains Crombie and Polk, who had records of 25-9 and 31-9, respectively. Polk, also, was the team's lone representative to the Regional tournament. Crombie and Holbird missed qualification by one match.

Crombie said of the season, "We came together well for such a young team. With only three seniors leaving, the future is extremely bright for the rest of these guys."

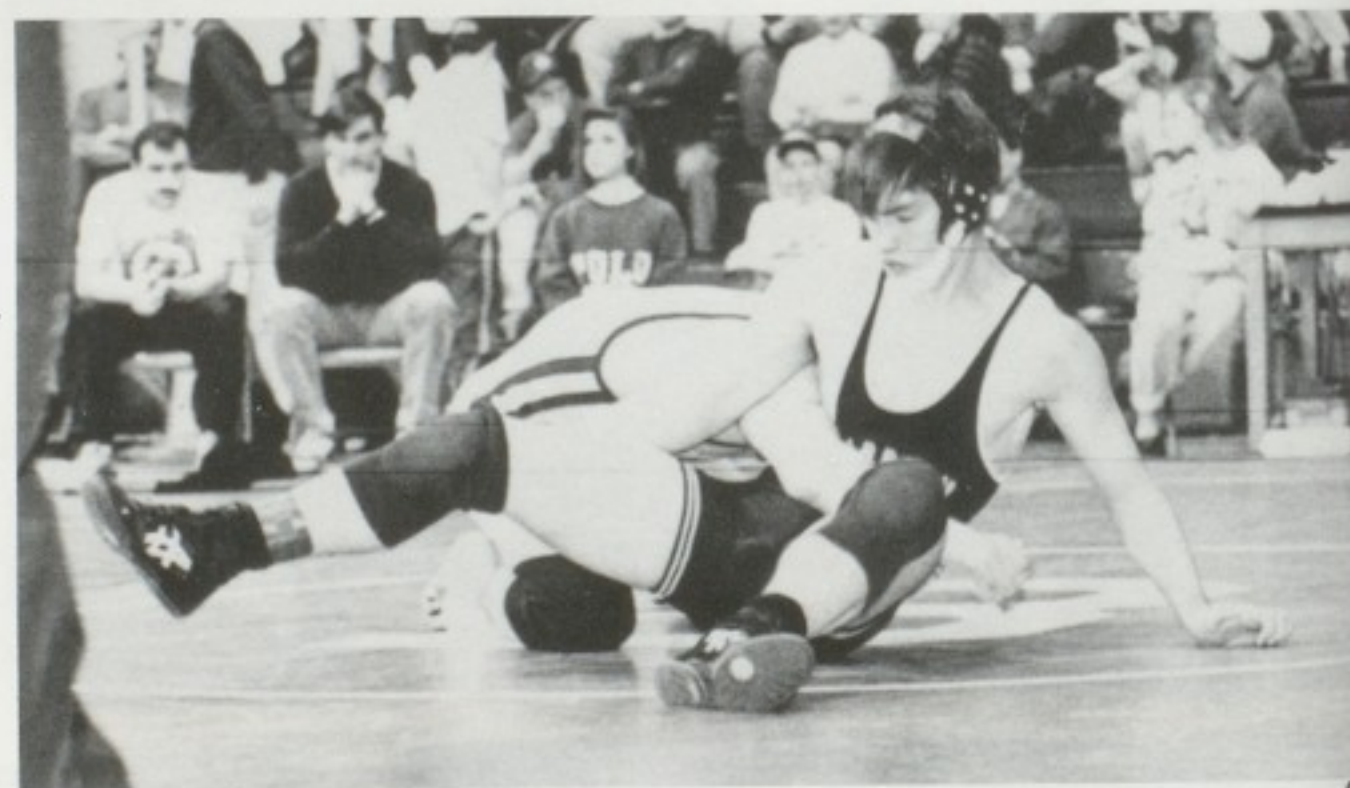

"We had a good season. We're not losing many people so we'll be real strong next year," stated Polk.

Coach Pat Ryan said, "In keeping with our winning tradition in wrestling, it was a very exciting season from a very young team with lots of promise. We look forward to the future."

Following the Footsteps

Coming off the greatest season in the history of Dearborn High baseball, this year's team will try to extend the excellence of last year's squad. Entering the 1992 season, the Pioneers will field a young team without a great deal of varsity experience.

Four-year veteran and senior captain, Neil Williams said of the upcoming season, "With only six returning letterman, this year's team is not going to come as easy as the last two years. It's going to take a lot of hard work and dedication."

First year head coach, Chuck Baughman's views on the '92 season were, "This year's team has very little varsity playing experience and therefore must step up to meet the challenge of competition at this level."

Key players returning to the 1992 Pioneers are, seniors Rich Tlusty and tri-captains Neil Williams, Mark Lewicki and Rich Konarski.

LEAVING THE REST BEHIND.....

This years' 1992 girls' track team has a strong work ethic, dedicated to beating Edsel Ford and winning the N.S.A.A. championship, outright.

This year will be an exciting and successful season as many letter winners from last year's team return. The girls will be going into the season this year as returning co-league champs. They are an experienced and talented team that has high hopes for the season.

"I believe that this year's team is full of potential and desire to achieve success and win!" stated senior Renee Gruska.

"Young but strong"

The Boys' Varsity Tennis Team is looking forward to a challenging season. Since losing their senior players from last year, the players won't let anything get them down. Coach Gene Snell plans to keep them busy so they'll be prepared for the challenge ahead.

Most of this year's team is made up of juniors and a few seniors. The Senior captains are Asher Barrow, Aaron Seligmen, and Chuck Saltmarche.

Even though most of their players from last year won't be returning, this won't discourage the team from trying their best to qualify for the state tournament.

Coach Gene Snell and the team hope to compete for and defend their League championship. Coach Gene Snell expects his team to improve significantly throughout the season, and if they work hard they can expect to be successful.

"If we work hard, we can expect to be successful."

ACTIVITIES

YEARBOOK

The Yearbook staff worked very hard to make this year's book the best there has been in a long time. Mr. Gardner and Becky Fung our editor, work hours on end to proofread and check all the layouts. It takes a lot of hard work and dedication to be on the yearbook staff. The Yearbook

lives and dies by deadlines.

"It is great to be able to make your Yearbook. I hope it will be one you never forget, especially your senior year. It's always great to be part of your classes' memories. You'll have them well captured on paper forever."

THE OBSERVER

The Observer is Dearborn High's official weekly newspaper. The paper keeps students, faculty, and parents informed on current events affecting DHS. Issues also include coverage of recent sporting events, editorial comments, and special features. The Observer, advised by English teacher Ron Webb, is written entirely by journalism students. Students must assume responsibility and cope with stress as they struggle to meet their deadlines.

Deciding which stories to cover in The Observer can be difficult. According to Editor-in-Chief Jason Locke, "(Our) goal is to select stories which will have a direct impact upon the students and faculty of DHS, whether these stories cover educational or policy changes, class projects, or school athletics." Instead of sticking with safe topics, this year The Observer staff reached out to tackle such controversial issues, as the National Honor Society selection process and new dress code regulations.

The staff has also begun to cover broader social and economic issues. They feel it is important for students to be aware of what is happening in the world around them. As stated by staffer Scott Richardson, "The Observer staff tries to print stories of all kinds that the student body might not read about anywhere else and that affect the students' lives."

Student Council

Our student council members certainly know how to have fun. However, they are also a serious group of students who are extremely dedicated. Student council president, Kerry Swider, said, "We are having a very organized and productive year. " Among other accomplishments, student council raised enough food to make seventeen Thanksgiving baskets for needy Dearborn families. This is a prime example of how the hard work and dedication of our student council members has paid off.

FIRST

STOP

The First Stop is a student-run store whose advisor is Mr. Chodoroff. It provides students with a real-life situation in marketing and gives them hands-on experience in store operations. The First Stop is the place to buy candy and D.H.S. apparel. This year the First Stop crew came up with many sales gimmicks, such as, plucking the chicken, playing the Big Bird and Cookie Monster dart game, and giving away Hershey kisses on Valentine's day. The First Stop has been serving the Dearborn High population for years and will be serving it for many to come.

Muse is the annual D.H.S. literary publication made up of poetry, prose, and artwork. It accepts entries from both students and teachers, which are then judged by students for admittance to the magazine. Muse is run entirely by students with the help of Helena Baginski, retired D.H.S. English teacher, and parent assistant, Mrs. Oosterhouse. Muse receives awards of "superior" rating each year on the state and national level in competition. Every year the Muse staff holds fundraisers to keep the cost of Muse affordable for the students. This was especially important this year because their goal is to put out a new double-sized edition. Among this year's fundraisers were: carnation sales, Irish bagels, and punchkies. Muse is one of the fine traditions at D.H.S.

HEARTBREAK

A heart of gold the sweet nymph had,
Her beauty was unsurpassed.
The queen of gods was raving mad;
Hera punished her but fast.
Echo met with a terrible fate:
She found she could no longer speak.
Because of Hera's unjust hate,
All she could do was repeat.
Along came Narcissus, a handsome man,
To whom he gave her heart.
But he, disgusted, turned and ran,
And Echo fell apart.
For Narcissus loved but only one,
And the one he loved was he.
Of beautiful maidens he'd have none,
He'd just let him be.
Nemesis thought it unfair,
And punished him for this.
On the river bank she left him there,
With the reflection he longed to kiss.
Harder he gazed, and longer he stared,
Overtaken by the beauty's power.
Of anything else he no longer cared,
Alone he stands a flower.

The Art Club at Dearborn High is sponsored by Mr. Hashoian. The Art Club is here to promote arts and services to the school and community. It meets at least once a week. The Art Club has sponsored many projects this year. For example, they sponsored the Homecoming Banner Contest, they also made Spring Break bumper stickers, Boograms, Holiday, and Yearbook Buttons for the staff of yearbook so they could be identified a lot easier.

Art Club officers this year were: President, Tara Khalaf; Vice-president, Anne Roulo; Treasurer, Sadie Jones; and Secretary, Sean Baran. Other members of The Art Club were Eric Thaxton, Elana Henn, Jenny Whitman, Jeff Murtfelt, Tina Nielsen, Emily Mann, and Rebecca Marko.

Video Production

Video Production class, with instructor Russ Gibb, learns the fundamentals of the camera, editing systems, and various other steps in video production. Students then proceed to produce their own videos for a grade. Most students move on to Advanced Video and W.D.H.S., where they are responsible for the production of Back Porch Video and various other related projects. Many students attend class trips to New York and California for the study of more advanced technology. As stated in an article from the Detroit News, "Gibb said he tries to keep the assignments general to let the students be as creative as they want"

Members meet every week to plan new projects, along with their weekly broadcast of Back Porch Video. W.D.H.S. members continued to prove their ability to be the best, after winning five first place awards at the 10th Annual International Student Media Festival which the group attended this winter in Washington, D.C.

DEBATE

The dedication of Dearborn High's debaters paid off for the team. The Varsity Debate Team won a fourth place trophy in a tie at the West Oakland Debate League. This year's topic focused on the problems of the homeless. This season started out in September with the Student Congress held at the state capitol. Last spring students could compete in the Discussion Festival to qualify for Senator, Representative, or Lobbyist at Congress. "I was really impressed this year with our performance. Most of the team are seniors, and I think we're all quite happy to end the year with a bang," said Christine Holderby, Varsity Debate.

What is Model United Nations? According to Mrs. Zimmerman, "Model United Nations teaches students about the process of International relations, not only from the perspective of their own country, but from the perspective of many." The object of Model UN is for students to debate world issues. This year the number of members had to be reduced to under twenty members, because it was too costly and difficult to train more than that. The president of Model UN is Christine Holderby. The secretary is Cassandra Mungia. In October, Jason Shaw received an honorable mention at the Mercy High School Conference. In February, Model UN received the Distinguished Delegation Award when they represented France at the University of Michigan conference. Model UN also attended the Great Lakes Invitational Model United Nations Conference at Traverse City in March.

What is the French Club? The French Club is an organization in which students that study French can learn how to act in a foreign society. The French Club teaches its members about French culture and reinforces their use of the French language. The officers of the French Club are as follows: President Dan McCullen, Vice-Presidents Brad Schoolmaster and Holly Willenborg, Secretary Carolyn O'Brien, and Treasurers Laura Andrews and Renee Burkmyre. Foreign Exchange

Dearborn High has had the honor of hosting many exchange students from all over the world. This year we have two students. Both are a part of the youth for understanding program. Each student must have a 3.00 G.P.A. and two years of English. The students this year are Tine Nielsen from Denmark and Julie Waage from Norway. Both students agree that they have learned a lot and have a lot more to learn in their eleven month stay.

Julie Waage and Tine Nielsen stop long enough to smile for the yearbook and show their enjoyment of being here in America.

Mr. Pye, advisor/counselor for the exchange, students stops to smile for the camera.

Amnesty International is a club that works for the release of all prisoners of conscience, persons imprisoned for the non-violent expression of their beliefs--political, religious, ethnic or other. They also work to end torture and execution of all prisoners.

The students at D.H.S. do all of the above by writing letters to top-ranking government officials. Amnesty meets every other week.

B.A.B.E.S. (Beginning Alcohol Basic Education Studies) is an extracurricular activity where students teach second and third graders the dangers of substance abuse.

SKI CLUB

Well, here we are in Michigan, 1991-92, and the Ski Club is ready to go. Though they had a lot of cancellations, it was just a matter of time before they hit the slopes.

Mr. Morasky, Mr. Tallent, and Mr. Gardner are the Ski Club's co-sponsors, and Bennett Weinstein and Dave Legal are the club officers. They're the men that get the kids together after school on Friday days and head out for the resorts. There are approximately twenty members in the Ski Club.

They had hoped more would participate, and that they would have had more success with snow.

ECONOMICS CLUB

Mr. Doyle has been the adviser for the Economics Club, better known as the Econ Club, for the past year. Econ Club's main objective is to give the students a chance to understand their subjects and prepare for tests.

Students have improved in their classes due to the questions and answer sessions with Mr. Doyle. They meet after school every two weeks. Interest in the Econ Club has increased over the years. Good luck in the future to all the students, and thank you, Mr. Doyle.

AQUANAUTS

Aquanauts is the most advanced biology class taken here at D.H.S. The students compete for a trip, in the summer, to dive down to the bottom of the ocean to study the marine and aquatic system.

The unique thing about this class is that there are students from Fordson and Edsel Ford, but these students are not physically in the classroom. Mr. Cooper is seen, via an interactive video system.

ACADEMIC ACHIEVEMENT AWARDS

Six years ago, the Academic Achievement Awards were established to recognize the achievements of students at Dearborn High School.

In order to receive an award, students in the ninth, tenth, and eleventh grades must have three academic subjects per semester. Students in the twelfth grade must have four academic subjects per semester. All students must have a 3.5 grade point average or better.

Jennifer Boersma accepts her award.

Richard Konarski accepts his award from Mrs. Superko.

Monica Reiter accepts her award.

Nicholas Budimir accepts his award from Mrs. Superko.

NATIONAL HONOR SOCIETY

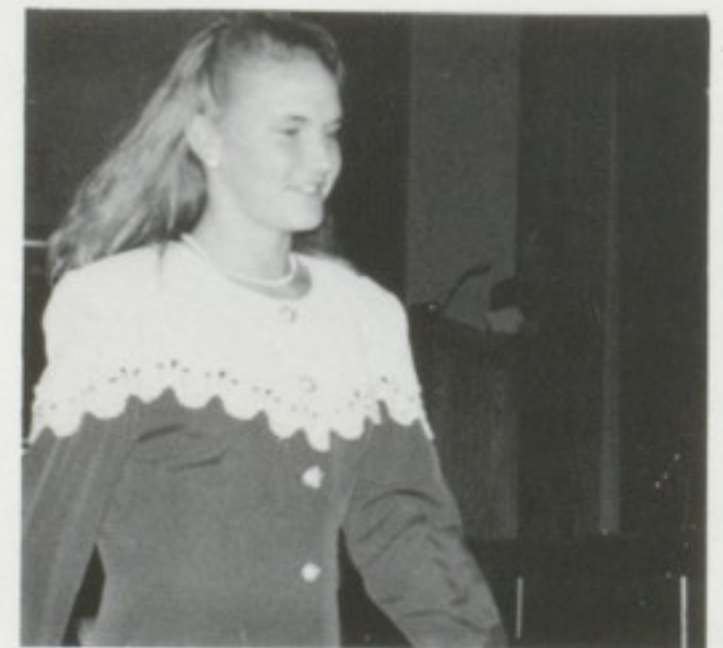

The National Honor Society, sponsored by Mrs. Candy Gardner, is a selected group of students who demonstrate citizenship, and academic achievement.

To become a member of National Honor Society, students must have a 3.5 grade point average or better, show leadership in school, and give community service.

Pom-Pon

We are very proud of our 1991-92 Pom-Pon Squad. They help cheer our football games and basketball games to victory.

Being on the Pom-Pon Squad takes more than just standing on the sideline looking cute. The Pom-Pon Squad works extremely hard to get their shows together.

Chorus/Concert Choir

Vocal music students learn to work together in a cooperative setting. They study musical ideas through practice and performance. They are led by Dearborn High's new music teacher, Mr. Smith. The students perform at many shows throughout the year including the Jazz Show, Holiday Arts Show, Choral Festival, and the Spring Concert. They also can be seen at various community functions throughout the year.

Offtones wear plaid jackets and the Tonettes are dressed in pink jackets. Most of their songs consist of old 1950's songs that both parents and students can enjoy. Their shows promise to be great fun.

What are you wearing? Is it a fad? Here at DHS, wearing the right thing is very important. Fads are traditional here at DHS. The famous Girbaud jeans are still in and so is showing your school spirit by wearing Dearborn apparel. There has also been a return to the sixties, by wearing clothing from that era. FADS WILL ALWAYS BE IN AT DHS!

Let's Vogue!

Right: Anita Hill was valedictorian of her high school in 1973 and went on to Oklahoma State University as a National Merit Scholar, graduating in 1977 with a degree in Psychology and in 1980 she received her law degree from Yale University. Anita Hill went public with allegations that Supreme Court Justice Clarence Thomas sexually harassed her nearly a decade ago.

Next to Hill: Clarence Thomas grew up poor, black, and Democratic in Pinpoint, Georgia, but later switched parties and became a controversial symbol of Black conservatism. On October 18, 1991, Clarence Thomas became the 106th United States Supreme Court Justice after much debate.

Far left: Less than two miles from the Kremlin, convoys of Soviet tanks moved into Moscow. Above Left: Magic Johnson, who has entertained basketball fans for more than a decade, announced on November 7, 1991, that he had tested positive for the AIDS virus and was retiring. Above Right: On September 14, 1991, Carolyn Suzanne Sapp from Honolulu, Hawaii, was crowned Miss America.

Above: Terry Anderson emerged on December 4, 1991, from the dark hole of six and a half years of captivity in Lebanon and was handed over to U.S. officials, ending a brutal hostage ordeal for both himself and the United States.

Above: During the seven-month Iraqi occupation of Kuwait, more than 730 oil wells were damaged or set ablaze. Firefighting crews have been able to extinguish 584 wells since the effort began in March of 1991. When the effort began it took an average of four days to put out one well fire. Now the teams are averaging 8.5 wells each day.
